ACCESSING HEALTHCARE IN UNION & ANSON COUNTIES

Share. Learn. Connect.

The community forum will provide a space for people from Union and Anson counties to come together and discuss any opportunities and barriers they might have in accessing healthcare. After we hold space for people's stories, we will have break-out sessions to discuss potential actions in the community. Anyone is welcome to come and share their stories and there will be local and state legislators, community leaders, church leaders, and health care providers present.
