

Storm-Damaged Tree Cleanup Training

\$20 (Lunch Fee)

June 25th, 2019
9am-3:30pm

NC State Extension
Union County Center
3230 Presson Rd
Monroe, NC 28112

All tree care workers face the danger of storm-damaged trees that must be urgently removed. A North American Training Solutions instructor will explain and demonstrate rigging, distance release techniques, and handling wood under pressure. Participants will learn how to handle leaners, snags, hangers, and other frequently encountered challenges.
